Subject: Closure of File, Grouse Creek Quarry, Bown Stone Products, Inc., S/003/071, Box Elder County, Utah

Dear Mr. Bown:

This letter is to notify you that the Division file, S/003/071, for the Grouse Creek Quarry small mining project, located in Box Elder County, Utah, will now be closed.

The Division has inspected the areas where rock removal had been planned. There were no noted surface impacts or disturbances. Because your area of operation had not been disturbed, and because the BLM has also closed the file, the Division will now close our file for this small mine project.

You are hereby released by the Division from further mining or reclamation responsibilities at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(s), pay the Division permit fee, submit adequate surety, and receive written approval(s), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5325. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Daron R. Haddock  
Permit Supervisor
